

ANNA FIRE / RESCUE ANNOUNCEMENT

POSITION: VOLUNTEER FIREFIGHTER

DEADLINE: Open

JOB SUMMARY

This is a highly skillful position that responds to fire alarms, medical emergencies, and other emergencies to protect life and property; operates and maintains a variety of fire and rescue apparatus and firefighting equipment; participates in firefighter activities, emergency medical services, hazardous material incidents, fire prevention and training activities.

REQUIREMENTS: 18 years of age, TCFP or SFFMA certified and /or EMS certified or currently enrolled in a Fire or EMS school.

Goal oriented, motivated, loyal, servant

KNOWLEDGE AND ABILITIES: Ability to abide by all rules, regulations, policies and procedures set forth by the City of Anna and Anna Fire Rescue; ability to make decisions during emotional and stressful situations; ability to communicate effectively in writing and orally; knowledgeable of codes and laws related to fire suppression and the delivery of emergency medical care; knowledgeable of basic firefighting techniques and emergency medical techniques and operations.

PROCESS: A Volunteer Firefighter Application can be picked up at 305 S. Powell Parkway Anna, Texas 75409 or requested by emailing Fire Chief Tim Gothard at tgothard@annatexas.gov. Candidates who successfully pass the background process will be invited to a panel interview. Top candidates will then proceed to the physical agility test. If successful completed the top applicants will be scheduled for a chief's interview. Depending on the number of open positions, a position for volunteer firefighter will remain open until all positions are filled.
