

TEXAS MOTOR SPEEDWAY

3545 Lone Star Circle, Fort Worth, TX 76177

The Texas Motor Speedway Track Services Fire Rescue Division will host a informational meeting on Saturday August 1st, 2015 at 09:00 hrs and Sunday August 2nd at 09:00 hrs. The purpose of the meeting is to inform prospective new Firefighters of the job and training requirements to work for the speedway as a member of the track services family.

Listed below are the minimum requirements for employment

1. TCFP and/or SFFMA basic firefighter certification
2. ECA or higher EMS certification from DSHS
3. Ability to commit to the required training criteria

The meeting will consist of an informational session, tour of the speedway, observing annual hands on training sessions, introduction to race vehicles, and introduction to the various safety equipment used by the fire rescue division.

Upon conclusion of the meeting job applications will be available to those that are interested in applying for the position.
